WEEK 3
2015**

WELCOME

ANTARCTICA

Students and teachers alike are really enjoying the many learning experiences based around our topic, Antarctica. Students have participated in a range of activities from placing their hands in freezing water, writing postcards from Antarctica to decorating life size penguins to compare our heights. There have been some fantastic discussions and group activities taking place. Students are working through a number of individual tasks and in weeks 5 and 6 their homework will consist of a small home project on an explorer.

"I enjoyed finding out about viruses and bacteria and how they can't grow in Ant

arctica because it is so cold."
Jarrod

"I enjoyed doing the maps and mapping where explorers have been." Liam

"I've enjoyed finding out about the explorers expeditions."
Maddi

IMPORTANT DATES

12th August VSC Production viewing

19th–21st August Ski Camp

24th August Science activity day

31st August Literacy and Numeracy Week

7th September Zoo excursion

Please Note

- There are several fish and chip days coming up for all classes. Please note that your child's day may be different to siblings or other classes in the same level.
- Teachers are currently participating in Level 2 First Aid and CPR updates. This is compulsory for everyone who works in a school environment.

School Rules

We want to remind all students and parents that school rules are set in place to keep people safe and maintain consistency across the school setting in terms of acceptable behaviour. Whilst our students are generally extremely well behaved, all students are capa-

ble of pushing the boundaries at times.

Please note that wearing tights or leggings under shorts or skorts is not part of the school uniform policy. Girls must also only wear small studs that are in no way decorative or sleepers that are no bigger than 1cm

in diameter. Also, hair ties must be blue or hair coloured.

Level 4 students have the use of the microwave this term for heating pre cooked meals only. Heating rolls or sandwiches is not allowed.
